- 2) The Company's application under section 309 of the Companies Act, 1956 for approval of excess remuneration Rs. 90.75 lacs paid to directors in earlier years has been rejected by the Central Government by its Order dated 5th February, 2016 in view of inadequate information submitted. The Company is in the process of filing an application to the Central Government for reconsideration of its Order based on the additional inputs not considered by the Central Government. Till the matter is finally resolved, the Company has not given effect to the Order of the Central Government in its books of accounts and the concerned directors have agreed to hold the excess amount of remuneration received by them in trust.
- 3) The Company has paid remuneration of Rs. 25.35 lacs to its Managing Director in Financial Year 2014-15. Till the matter is clarified by the Central Government, the concerned director has agreed to hold the said amount received by her in trust.
- 4) During the quarter the Company has identified certain parts of the fixed assets having significant value whose useful life is different from the remaining part of the fixed assets ("component"). In addition, effective April 1, 2015, the Company has revised the estimated useful life of certain items of plant and machinery based on the technical advice received. The depreciation for the year has been computed based on the revised useful life of those assets and components. As a result the depreciation for the year is higher by Rs. 7.28 lacs.
- 5) Pursuant to the order passed under section 17(3) of the Sick Industrial Companies (Special Provisions) Act, 1985 the Board for Industrial and Financial Reconstruction (the BIFR) passed the necessary order and appointed State Bank of India as its operating agency. As per the direction of the BIFR by its Order dated 11.02.2015 the operating agency is yet to reframe the scheme. The Company is expecting to receive relief from the BIFR as prayed for.
- 6) The figures of the quarter ended March 31, 2016 and March 31, 2015 are balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the third quarter of the respective financial year.
- 7) The Company operates in one single primary segment viz., Agrochemicals. Hence, the disclosures as required under Accounting Standard 17 "Segment Reporting," is not given.
