III Other information

1. Reasons of loss or inadequate profits

The Company's business is directly related to agriculture sector of the economy. During year under review, rainfall in India was erratic. There was delay in the arrival of the monsoon, adversely

affecting the kharif crops. Although in the later part, the monsoon picked up which turned out to be favorable for the rabi crops. However, in most parts of the country, there was drought-like situation. Due to water shortage, cotton and rice acreage in the country decreased. The area which is posing real challenge is the volatile fluctuation in the prices of key ingredients of agro chemicals which would make the planning of purchases, stock levels and production a tough task.

The forecasts for the year 2013-14 by the Industry experts association for agrochemicals is positive. During the year, it was heartening to note that apart from the northern states of the country, the Eastern states are also being classified as food baskets for the country with improved production of many food and vegetable crops. This is a good sign for the country which can take credit for being one of the leading producers of the world for soya bean, cotton, sugarcane, rice and certain cereals.

Overall recessionary situation affected industrial growth. Most companies were forced to change their strategy from growth to survival and maintaining market share in an already squeezed market. This in turn resulted in stiff competition affecting margins and ultimately resulting in lower profits. We were able to maintain our market share at a lower profitability.

2. Steps taken or proposed to be taken for improvement

Appropriate strategies would be devised to improve profitability of the Company.

IV. Disclosures:

- 1. The shareholders of the company shall be informed of the remuneration package of the managerial person. [Has been disclosed at appropriate place].
- 2. The following disclosures shall be mentioned in the Board of directors' report under the heading "Corporate Governance", if any, attached to the annual report : -
 - All elements of remuneration package such as salary, benefits, bonuses, stock options, pension etc. of all the directors;
 - Disclosed at appropriate place
 - Details of fixed component and performance linked incentives along with the performance criteria;
 - Disclosed at appropriate place
 - iii) Service contracts, notice period, severance fees;
 - In terms of the Agreement entered between the Company and Mrs. Elizabeth Shrivastava the appointment is for a period of 3 years w.e.f.14.8.2013 to 13.8.2016 with a notice period of 3 months on either side.
 - iv) Stock option details, if any, and whether the same has been issued at a discount as well as the period over which accrued and over which exercisable.
 - The Company does not have any scheme of Stock option; hence this clause is NOT APPLICABLE.

All the relevant documents including the resolution of the Board of Directors, Copy of the Agreement between the Company and Mrs. Elizabeth Shrivastava are available for inspection at the Registered Office of the Company during office hours, except on Saturdays, Sundays and Holidays.

*Note: The previous year's financial statements have been prepared for the period of eighteen months covering period from 01.04.2011 to 30.09.2012, read with permission granted by the Registrar of Companies (ROC), Mumbai, Maharashtra. Accordingly, the figures for the current period (01.10.2012 to 31.03.2013) are not comparable with figures of the previous year ended 30.09.2012

OPERATIONS:

On account of variation of periodicity of financial statement of current year and that of last year, the figures are not absolutely comparable. During the period under review, the income recorded from operations was ₹ 4,574.93 lacs [during FY 2012-13, consisting of 6 months period], representing a healthy sign of business growth of as compared to previous period. After offsetting all expenses/ credits, company generated profit after tax of ₹ 790 Lacs. The Company has continued to enhance its business operations during the financial year period under review. The Management has committed to enhance business operations by adding new molecules to sustain market volatility. Your Company has attempted to capture untapped foreign markets with new product line and as result volume of sales would see momentum in succeeding years.

We are pleased to inform you that, during the financial year under review, State Bank of India, Company's principle lender have sanctioned its accord for one time settlement (OTS) plan submitted by the Company earlier with minor modification.

The management's business development plan has contributed in terms of development of new markets as well as launching of newer products in local and foreign markets. Under given challenging global business surroundings and draught like conditions in few states in India during last financial year, stalled management's efforts to bring turnaround on fast track, but we are working at our full capacity to improve in net worth of the Company. Your directors are hopeful of smooth execution of the revival plan and present

financial statements have been prepared on Going Concern basis.

CURRENT YEAR OUTLOOK

Your Company has continued focusing on registering, orienting more products in its own brand name in exports market. It's company's endeavor to develop new markets as well as concentrating more on improvement of volume of its sales in current market so the sale can be maximized. On account of new export registrations & weakening of rupee your Company expects growth in the export sales in the coming year.

DIVIDEND

To conserve the available resources for the recovery of the company, the Board of Directors do not recommend payment of dividend on equity shares for the current financial year ended 31st March, 2013.

NEW PROJECTS/PRODUCTS

The Company lays emphasis on Research and Development (R&D) for improvement in existing processes for better productivity and development of new products. Over the years, continuous R & D has helped the Company to adopt to changing and difficult times and has been contributing with the current needs of the Company by maximum utilization of its existing resources. The company is also laying more emphasis on modernization of its manufacturing plants.

CORPORATE GOVERNANCE

The Company equity shares are listed at Bombay Stock Exchange Limited. As per Listing Agreement with the Stock Exchange, the Company has taken utmost care to follow norms of good corporate governance mechanism. On account of continued losses in past few years, your directors could not able to appoint an additional independent director on company's board, during the financial year under review. Even under financial crises, your Company has continued with its basic philosophy to adhere with Corporate Governance norms, to assure stakeholders' satisfaction and is thus, committed to attain the highest level of transparency, accountability and compliance of law in all facets of operations. A report on Corporate Governance is attached to this report. A Management Discussion and Analysis Report and a Report on Corporate Governance are included in the Annual Report. A certificate from the auditors of the company is annexed to this report.

DIRECTORS

In accordance with the requirements of the Companies Act, 1956 and Articles of Association of the Company, Dr. Samir P. Dave who retires by rotation at the ensuing Annual General Meeting and being eligible, offer himself for re-appointment. Your Directors also recommends reappointment of Dr. Samir P. Dave, as Executive Director of Company. To foster growth prospect, your directors have appointed Mrs. Elizabeth Shrivastava, as additional director as on 14th August, 2013 and recommended as Managing Director of the Company. Your boards recommend her appointment as Managing Director of the Company and seek your consent to ratify said appointment with effect from 14th August, 2013.

The audit Committee comprises of three Directors out of which one is an independent Director. The Company is required to have at least two independent directors, to comply with Clause 49 of the Listing Agreement. AUDITORS

M/s. Contractor, Nayak and Kishnadwala, Chartered Accountants, Mumbai, the Statutory Auditors, hold office until the conclusion of the ensuing Annual General Meeting and are recommended for re-appointment. The Company has received a certificate from the Auditors to the effect that their re-appointment, if made will be within the limits as stipulated under section 224(1B) of the Companies Act, 1956. The members are requested to consider appointment M/S. Contractor Nayak and Kishnadwala, as statutory Auditors at the ensuing Annual General Meeting.

Observations of Auditors:

The comments made by the Auditors in their report are self-explanatory. The management responses those observations are given herein below except that no further explanation is required.

- 1. The Applications to the Central Government for the approval of the re-appointment and payment of managerial personnel namely the Managing Director and Whole Time Directors of the Company have been made to the Office of Central Government, Ministry of Corporate Affairs apart from submitting reply on their observations in prescribe time period but approval of which is pending.
- 2. As pointed out by the Statutory Auditors that the company has recognized deferred tax assets of ₹ 1,43,34,021/-. In their view, the same does not amounting to convincing evidence leading to virtual certainty under AS 22, "Accounting for taxes on income". The management of the company confirms that there are valid grounds to recognize deferred tax assets with reference to un-absorbed losses and un-absorbed depreciation.

- 3. Due to financial crunch, company could not employ a whole time Company Secretary, under given circumstances; the Company is looking for a full time Company Secretary as required under section 383A of the Companies Act, 1956.
- 4. The other comments, if any on the financial statements are self explanatory and don't call for any clarification.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT: INDUSTRY STRUCTURE & DEVELOPMENT:

In India, agriculture sector is principal source of livelihood of more that 58% of the population. To supplement such prime pro-public sector your company is primarily engaged in the business of agrochemicals. The overall performance of the Indian Agrochemical Industry is largely dependent on development of farming sector vis-a-vis timely arrival of monsoon. The year under review, was impacted by delay in the arrival of the monsoon which adversely affected the kharif crops. Although in the later part, the monsoon picked up which turned out to be favourable for the rabi crops resulted into the healthy growth of the overall Indian Agrochemical market due to higher commodity prices paved way for better farm income. With pattern of globalization, in Indian agrochemicals industry too has seen growing interest of multinational in this sector, apart from entry of few new Indian Companies. The MNCs have focused on patented products whereas Indian players have focused on generic off-patent products & its better formulations.

The present economic scenario tagged by higher inflation rate, high farm labour rates posed challenges for farming activities. The competition in export market one hand and weakening of rupee affected to Indian economy too. Under challenging conditions, your Company will continue to focus on cost control mechanism and cost effective measures supplemented by excellence in quality and specific thrust to Branded formulation export.

OPPORTUNITIES AND THREATS:

The consumption of pesticides in India has seen just a marginal growth as compared to phenomenal growth witnessed in world economies, including those of third world economies. In India, even today, huge amount of food crops is lost due to Pest, rodent & other diseases. Over a period of time, Indian agrochemicals industry has built up large capacities and has many players resulting in high level of competition. Due to seasonal nature of the business and uncertainties involved in the coverage of monsoon, a large inventory is required to be maintained. The growth of Indian agriculture sector was supplemented by several agriculture oriented policy initiatives taken by the Government recently and resultant improving productivity in the Agriculture Sector and the availability of credit to the agriculture sector as priority sector, the prospects of Agrochemicals industry is expected to improve as a whole.

Further, the increased focus of the Indian farmers for the crops for exports, growth in irrigation, growth in food preserving & processing facilities due to investments by large retailers & farmer supporting Government at the center are positive indicators for the long term potential of the Pesticides Industry. The increase in production & use of Bio-Fuels remains one of the most promising factors for future Pesticides business growth. The unfavorable climatic conditions posing real challenge due to the volatile fluctuation in the prices of key ingredients, large inventory maintenance and extended credit due to seasonal nature of the agri-business and energy costs due to high crude prices & weakening of rupee, increased cultivation of genetically modified crop, remain major threats for the Pesticides Business.

OUTLOOK:

The business outlook for the current year is very optimistic due to the best monsoon all over India. Increased Sales from the many new Indian & exports markets are expected this year due to the new registrations, approvals obtained. The Company is positive towards its progress in near future. The companies are increasingly training farmers regarding the right use of agrochemicals in terms of quantity, application and appropriateness for pest problems. With increasing awareness, the use of agrochemicals is expected to increase.

RISKS & CONCERNS:

The extreme changes in weather conditions with erratic monsoon remain the major risk & concern of the pesticides Industry. The benefits of the genetically modified crops to the farmers are not yet proved convincingly, so its effect to the pesticides industry is yet to be fully studied and understood but it has already started to reduce the Cotton Insecticides sales & increased herbicides sales. Non availability of key raw materials, regulatory changes in pesticides registration system to give protection to molecules which are already out of patent in India & world over, non availability of credit insurance & wild currency fluctuation also remains major risks. The multinational companies have recently cuttheir R&D budgets for developing new molecules& instead focused on ever-greening the old molecules by obtaining protection for continuing their monopolies.

Management of your Company always keeps stakeholders' interests in mind while taking all decisions such that their interests are not adversely affected. The Company has also put in place a risk management framework to identify, assess, prioritize and alleviate risk. The risks are periodically assessed and reviewed and corrective actions are taken to mitigate effects.

INTERNAL CONTROL SYSTEM:

Your Company has appropriate internal control systems for business processes with regard to its operations,

financial reporting and compliance with applicable laws and regulations. The Company maintains an adequate and effective internal control system commensurate with its size and nature of business. These internal policies ensure efficient use and protection of company's assets and resources, compliance with policies and statues as well as promptness of financial and operational report.

The company has proper and adequate systems of internal controls which ensure that all the assets are safeguarded and that all transactions are authorized recorded and reported correctly. The company maintains adequate and effective control system and suitable monitoring procedures with regard to the purchase of raw materials, stores, plant & machinery, equipment and other assets as well as sale of goods. The finance and commercial functions have been structured to provide adequate support and controls for the business of the company.

ENVIRONMENT AND SAFETY:

The company's environment policy follows strict compliance with the environmental legislations for prevention of pollution of air and water and to make continuous efforts for improvement in such environmental friendly performance. The company believes that its resources are conserved by minimization of process wastes and also by having an efficient environmental management system for treatment and safe disposal of such wastes. The company provides safe work place within the organization and ensures that safety consciousness is spread amongst all the employees.

INDUSTRIAL RELATIONS AND HUMAN RESOURCE DEVELOPMENT:

Your Company believes that human resources are the most precious assets of the Company. Company's ongoing thrust is to maintain productive work culture and to orient the employees to effectively face the new and emerging challenges emanating from the competitive environment. Your Company is privileged to have the right blend of professionals and executives in the organization and makes sincere efforts to ensure numerous opportunities for their growth in the organization. The industry relations situation was cordial and harmonious and continues to be so at present. Extensive training was given to workers on personal effectiveness, corporate compliance, first aid, safe driving, emergency handling and fire fighting, health and employee safety and risk assessment.

The Company considers that its relationship with its employees as vital and ensures that employees feel valued and is endeavoring to create an environment and culture within which every employees can put his best efforts and maximize his contribution.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

The financial performance of the company has been steadily improving throughout the year. During the year under review, (consisting of six months period), although not comparable with that of earlier period, there has been an increase in sales to ₹ 4,563.52 Lacs from ₹ 19,793.58 Lacs (for 18 months). The Company has recorded a profit of ₹ 790 Lacs after due consideration of exceptional item amounting to ₹ 2,295.49 Lacs. The period under review, being exceptional on account of acceptance of one time settlement by lenders and others, your company management strive for better performance during years to come.

The key objectives of future financial strategy of the company are

- To raise cost efficient funds for the growth plans of the company
- To provide financial flexibility in the Balance sheet for Contingencies
- To manage Foreign Exchange exposure effectively
- To develop strategy to focus on EPS accretion.

AUDITORS' REPORT ON CORPORATE GOVERNANCE

To the Members of

AIMCO PESTICIDES LIMITED.

- We have examined the compliance of conditions of Corporate Governance by Aimco Pesticides Limited for the year ended on 31st March, 2013 as stipulated in Clause 49 of the Listing Agreement of the said Company with Stock Exchanges.
- 2. The compliance of conditions of corporate governance is the responsibility of the Management. Our examination was limited to procedures and implementations thereof, adopted by the Company for ensuring the compliance of the conditions of the corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
- The Report of the Current year covers the period of six months from 1st October, 2012 to 31st March, 2013. During
 the period the meetings of the Audit Committee were held twice and not more than four months had elapsed between
 the two meetings.
- 4. We further report that:
 - i) As required under Clause 49(I)(A)(ii) of the Listing Agreement at least half of the Board members of the Company are not independent directors;
 - ii) As required under Clause 49(II)(A)(i) of the Listing Agreement two-thirds of the members of audit committee are not independent directors;

INDEPENDENT AUDITOR'S REPORT

To the members of Aimco Pesticides Limited

Report on the Financial Statements:

We have audited the accompanying financial statements of Aimco Pesticides Limited which comprise the Balance Sheet as at March 31, 2013, the Statement of Profit and Loss and Cash Flow Statement for the six months then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements:

Management is responsible for the preparation of these financial statements in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956. The responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessments of the risk of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

- a. The Company has paid remuneration, including commission, to directors and the ex- director in earlier years which is subject to approval of the Central Government under section 309 of the Companies Act, 1956. (Refer Note 28.4 of the financial statements):
 - The above matter had caused us to qualify our audit opinion on the financial statements for the 18 months period ended 30th September, 2012.
- b. The Company has recognised deferred tax assets of ₹ 1,43,34,021 with reference to un-absorbed losses and un-absorbed depreciation on the basis of orders in hand, operating profit earned during the period and future profitability projections. The same does not amount to convincing evidence leading to virtual certainty under AS 22 "Accounting for taxes on income". Had the Company not recognised deferred tax assets with reference to un-absorbed losses and un-absorbed depreciation, deferred tax assets, net profit for the year and shareholder's funds would have been lower by ₹ 1,43,34,021.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with

the accounting principles generally accepted in India:

- a. in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- b. in the case of the Statement of Profit and Loss, of the profit for the six months period ended on that date; and
- c. in the case of the Cash Flow Statement, of the cash flows for the six months period ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2003 ('the Order') issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- 2. As required by section 227(3) of the Act, we report that:
 - a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. Except for the effects of the matter described in clause (c)of the Basis for Qualified Opinion paragraph, in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956;
 - e. On the basis of written representations received from the directors as on March 31, 2013 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause(g) of sub-section (1) of section 274 of the Companies Act, 1956.
- 3. The Company does not have a whole-time secretary as required under section 383A of the Companies Act, 1956.

Annexure to the Independent Auditors Report

The Annexure referred to in our report to the members of Aimco Pesticides Limited ('the Company') for the year ended 31 March 2013. We report that:

- 1(a) The Company is maintaining proper records showing full particulars including quantitative details and situation of the fixed assets.
- 1(b) As per the information and explanations given to us, the fixed assets have been physically verified by the management during the year in accordance with the phased programme of verification adopted by the Company and no material discrepancies were noticed on such verification.
- 1(c) The fixed assets disposed of during the year do not constitute substantial part of the fixed assets.
- 2(a) As per the information furnished, the inventories (except goods-in-transit) have been physically verified during the year by the management at the end of the year. In our opinion, having regard to the nature and location of stocks, the frequency of the physical verification needs to be increased;
- 2(b) In our opinion and according to the information and explanations given to us, procedures of physical verification of inventory should be at more frequent intervals;
- 2(c) The Company is maintaining proper records of inventory. In our opinion, discrepancies noticed on physical verification of stocks were not material in relation to the operations of the Company and the same have been properly dealt with in the books of account.
- 3(a) As per the information and explanations given to us, the Company has in earlier years paid deposit to a party covered in the register maintained under section 301 of the Companies Act, 1956. The balance outstanding as at 31st March, 2013 and the maximum amount outstanding during the period was ₹70,02,068. (Also refer Note 14(i)in the Financial Statements).
- 3(b) In case of the aforesaid deposit the terms and conditions are not prima-facie prejudicial to the interests of the Company.
- 3(c) In case of the aforesaid deposit, the same is repayable on surrender of leased premises.
- 3(d) In case of the aforesaid deposit, since there is no default by the party, the question of taking reasonable steps for the recovery of the principal amount does not arise.
- 3(e) As per the information and explanations given to us, the Company has taken unsecured loans from six parties covered in the register maintained under section 301 of the Companies Act, 1956. The balance outstanding as at 31st March, 2013 from the parties was ₹ 13,02,134 and the maximum amount outstanding during the period was ₹ 89,53,024.
- 3(f) In case of the aforesaid unsecured loans taken from parties covered in the register maintained under Section 301 of the Companies Act, 1956, the terms and conditions are not prima-facie prejudicial to the interests of the Company.
- 3(g) In case of the aforesaid unsecured loan taken from parties covered in the register maintained under Section 301 of the Companies Act, 1956, the loan is repayable on demand.
- In our opinion and as explained to us, there are adequate internal control procedures commensurate with the size of the Company and the nature of its business with regard to purchase of inventory and fixed assets and for the sale of goods. During the course of our audit, no major weakness has been noticed in the internal controls and there is no continuing failure for the same.
- 5(a) Based on the audit procedures applied by us and according to the information and explanations provided by the management, we are of the opinion that the Company has not entered into any transactions which needs to be entered in the register maintained under section 301 of the Companies Act, 1956.
- 5(b) As referred to above, since there are no transactions the particulars of which are required to be entered in the register maintained under section 301 of the Act, the clause regarding reasonableness or otherwise of such transaction is not applicable.
- In our opinion and according to the explanations given to us, the Company has not complied with the provisions of Section 58A and 58AA and other relevant provision of the Companies Act, 1956 and rules made there under in so far as that: (i) its Net Owned Fund as at the beginning of the year is below ₹ 1 crore and hence, it is not permitted to accept / renew deposits under rule 3(i)(e); (ii) Deposits from the shareholders exceed the limit of 10% prescribed in Rule 3(2)(i); and (iii) Deposits from general public exceed the limit of 25% prescribed in Rule 3(2)(ii). According to the information and explanation given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any other Tribunal on the Company in respect of the aforesaid deposits.
- 7 The Company has appointed a firm of Chartered Accountants to conduct the internal audit. In our opinion, the internal audit needs to be further strengthened and scope thereof widened in order to cover additional areas and make it commensurate with the size and nature of business and the activities of the Company.

- 8 On the basis of the records produced, we are of the opinion that *prima facie*, the cost records and accounts prescribed by the Central Government under section 209(1)(d) of the Act have been made and maintained by the Company. However, we are not required to carry out and have not carried out any detailed examination of such records and accounts.
- 9(a) According to the information and explanations given to us and the records examined by us, there is a delay by the Company in depositing with the appropriate authorities undisputed statutory dues on account of income-tax, sales-tax, wealth-tax, service tax and other statutory dues. According to the information and explanations given to us, following undisputed arrears of statutory dues were outstanding as at 31st March, 2013, for a period of more than six months from the date they became payable.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Notes

1 Corporate information

Aimco Pesticides Limited ('the Company') is a public limited company domiciled in India incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the business of manufacturing and trading in agrochemical products. Its manufacturing plant is located at Taluka Khed, District Ratnagiri, Maharashtra. The Company caters to both domestic and international markets

2 Significant accounting policies:

2.1 Basis of accounting

"The financial statements of the Company have been prepared and presented in conformity with Generally Accepted Accounting Principles (GAAP) in India and comply in all material respects with the applicable Accounting Standards notified by the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on the accrual basis,

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

2.2 Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements and reported amounts of income and expenses for the year. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results may differ from the estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in the current and future periods.

2.3 Fixed Assets

Fixed assets are carried at the cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets. Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

2.4 Depreciation and amortisation

Depreciation on fixed assets is provided using the straight-line method at the rates and in the manner specified in Schedule XIV to the Companies Act, 1956. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Individual assets costing less than ₹ 5,000/- are depreciated in full in the vear of acquisition

Leasehold land is amortized over the period of lease.

2.5 Impairment of Fixed Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of amortized historical cost.

2.6 Inventories

Items of Inventory are valued on the principle laid down by Accounting Standard 2 on "Valuation of Inventories" on the basis given below:

-) Raw materials, Packing Materials, Stores and Spares
- ii) Finished Goods and Work in progress

- : At lower of cost (determined on FIFO basis)
 - or net realisable value;
 - At cost plus all manufacturing overheads OR Net realisable value, whichever is less. Cost includes direct materials, labour, a proportion of manufacturing overheads, based on normal operating capacity and excise duty.

- iii) Excise Duty is included in valuation of Finished Goods.
- iv) Materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

2.7 Employee benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to recognized provident funds and approved superannuation schemes which are defined contribution plans are recognized as an employee benefit expense in the statement of profit and loss as and when the services are received from the employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of gratuity plan, which is a defined benefit plan, and certain other defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid. The calculation is performed annually by a qualified actuary using the projected unit credit method.

Retirement and other employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, and performance incentive paid annual leave, bonus, leave travel assistance, medical allowance, contribution to provident fund and superannuation etc. recognized as actual amounts due in period in which the employee renders the related services.

- (i) Retirement benefits in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the statement of profit and loss for the year when the contribution to the fund accrues. There are no obligations other than the contribution payable to the recognized Provident Fund.
- (ii) Retirement benefits in the form of Superannuation Fund is a defined contribution scheme and the contribution is charged to the statement of profit and loss for the year when the contribution accrues. There are no obligations other than the contribution payable to the Superannuation Fund Trust. The scheme is funded with Insurance Company in the form of a qualifying insurance policy.
- (iii) Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

Other Long – term employee benefit viz. leave encashment is recognised as an expenses in the Statement of Profit and Loss as and when it accrues. The Company determines the liability using the Projected Unit Credit Method, with actuarial valuation carried out as at the balance sheet date. The Actuarial gains and losses in respect of such benefit are charged to the Statement of Profit and Loss.

2.8 Foreign currency transactions and balances

Foreign currency transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated using the foreign exchange rates as at the balance sheet date. The resultant exchange differences are recognised in the statement of profit and loss. Non-monetary assets and liabilities are not translated.

2.9 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i) Sale of goods:

Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of goods are transferred. Revenue from sales of goods is recognized upon its delivery to stockiest / customers by clearing and forwarding agents of the Company. Revenue from export sales is recognized when the significant risks and rewards of ownership of products are transferred to the customers, which is based upon the terms of the applicable contract.

Revenue from product sales is stated exclusive of returns, sales tax, value added tax and trade discounts but includes excise duty.

ii) Export incentives:

Benefit on account of entitlement to import goods free of duty under the 'Duty Entitlement Pass Book under Duty Exemption Scheme' is accounted in the year of exports. Incentive in the form of duty drawback is accounted for when the right to receive the same is established and when there is no significant uncertainty regarding the ultimate collection of export proceeds.

iii) Interest income:

Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate method.

iv) Lease rental income:

Income from operating lease is recognised as rental as per the lease agreement over the period of lease.

2.10 Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred.

2.11 Research and Development Costs

Research and Development Costs in the nature of revenue expenses are charged as an expense in the year in which they are incurred and are reflected under the appropriate heads of account.

Research and Development Costs being Capital Expenditure is reflected under the appropriate heads of fixed asset.

2.12 Leases

The lease arrangement is classified as either a finance lease or an operating lease, at the inception of the lease, based on the substance of the lease arrangement.

Finance leases

A finance lease is recognized as an asset and a liability at the commencement of the lease, at the lower of the fair value of the asset and the present value of the minimum lease payments. Initial direct costs, if any, are also capitalized and, subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

2.13 Provisions and contingencies

Provisions:

A provision is recognized when an enterprise has a present obligation as a result of past event; when it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liability:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent liabilities disclosed for:-

- possible obligations which will be confirmed only by future events not wholly within the control of the Company, or
- (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made.

Contingent assets are not recognized in the financial statements, since this may result in recognition of income that may never be realized.

2.14 Taxes on income

Tax expense comprises of current and deferred tax charge or credit.

Current tax is determined as the amount of tax payable to the taxation authorities in respect of taxable income for the period.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets.

All deferred tax asset are reviewed at each balance sheet date and is written-down or written-up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

The Company recognises credit for Minimum Alternative Tax (MAT) only when and to the extent there is a convincing evidence that the same would be set off during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

2.15 "Forward Exchange Contracts:"

The Company uses foreign exchange forward contracts and option contracts (derivatives) to mitigate its risk of changes in foreign currency exchange rates and does not use them for trading or speculative purposes.

The premium or discount on foreign exchange forward contracts is amortized as income or expense over the life of the contract. The exchange difference is calculated and recorded in accordance with AS-11. The exchange difference on such a forward exchange contract is calculated as the difference of the foreign currency amount of the contract translated at the exchange rate at the reporting date, or the settlement date where the transaction is settled during the reporting period and the corresponding foreign currency amount translated at the later of the date of inception of the forward exchange contract and the last reporting date. Such exchange differences are recognized in the statement of profit and loss in the reporting period in which the exchange rates change. The changes in the fair value of foreign currency option contracts are recognised in the statement of profit and loss as they arise.

2.16 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.17 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The Company considers all highly liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from the date of purchase, to be cash equivalents. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.18 Cash and Cash equivalents

Cash and cash equivalents consist of cash and cash on deposit with banks. The Company considers all liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from the date of purchase, to be cash equivalents.

Notes:

- (i) During the current period the Company has recognised deferred tax assets of ₹ 1,43,34,021 with reference to un-absorbed losses and un-absorbed depreciation. The same has been recognised taking into account the amount of sales orders on hand, operating profit earned during the period and future profitability projections. The Comapny believes that the same gives virtual certainty enabling it to recognise the deferred tax asset.
- (ii) The break up of deferred tax assets and liabilities is as under:
